

The new 27-page *Guide to Churchill, Manitoba, Canada* features wildlife watching and other activities in the Hudson Bay community on the edge of the Arctic. Known as the polar bear capital of the world and beluga whale capital of the world, Churchill offers chances to witness the aurora borealis (northern lights) from November to April.

The guide, published by Travel Manitoba, also mentions bird watching, historic sites and shopping for soapstone sculptures, mukluks and wildberry jam. There is a listing of Churchill tour operators and suppliers. (800-665-0040, www.travelmanitoba.com)
